

Academic Transcript

Course Code	Course Title	Credits	Grade
I Semester: 2024-2025 (July - December 2024)			
OAN7010	System Engineering and Project Management	1	S
SHL7050	Anatomy	4	B
SHL7030	Innovation and Entrepreneurship in Healthcare	3	C-
SHL7060	Immersion	4	B
SHL7040	Physiology	4	A
Credits Registered in the Semester:		16	SGPA 7.93
Credits Earned in Semester:		16	
Cumulative Credits earned:		16	CGPA 7.93

Course Code	Course Title	Credits	Grade
II Semester: 2024-2025 (January - April 2025)			
SHL7140	Artificial Intelligence in Healthcare	3	A-
SHD7010	Masters Project	9	B
SHN7010	Bioethics and Regulatory Practices	1	S
SHL7420	Surgical device development	3	B
Credits Registered in the Semester:		16	SGPA 8.20
Credits Earned in Semester:		16	
Cumulative Credits earned:		32	CGPA 8.07

Course Code	Course Title	Credits	Grade
III Semester: 2025-2026 (July - December 2025)			
LAN7010	Technical Communication	1	S
SHD7020	Project	15	A-
Credits Registered in the Semester:		16	SGPA 9.00
Credits Earned in Semester:		16	
Cumulative Credits earned:		48	CGPA 8.38

Course Code	Course Title	Credits	Grade
IV Semester: 2025-2026 (January - April 2026)			
SHD7030	Project	15	A-
OAL7010	Innovation and IP Management	1	S
Credits Registered in the Semester:		16	SGPA 9.00
Credits Earned in Semester:		16	
Cumulative Credits earned:		64	CGPA 8.53

Indian Institute of Technology Jodhpur

Grading System

1. Credits

Each course is given a weightage called credits. The number of credits of each course is based on the number of contact hours for lectures, tutorials, and practicals. A typical course is of 3-5 credits. Credits will be assigned to the courses based on the following general pattern:

- (a) One credit for each lecture class of 50 minutes;
- (b) One credit for each tutorial class of 50 minutes; and
- (c) One credit for each laboratory or practical class of three hours.

2. Grade Points

At the end of the semester, a student is awarded a relative letter grade in each course by the Instructor offering the course considering the performance of the student during the semester with respect to those of the other students registered in the course. It is proposed that ten regular letter grades, namely A*, A, A-, B, B-, C, C-, D, E and F shall be awarded in each course. Each letter grade is associated with a numerical equivalent on a 10-point scale shown in Table 1. In addition, there are four special letter grades, namely, I, S, X and U, which stand for Incomplete, Satisfactory, Thesis Continuation and Unsatisfactory, respectively. The faculty member shall upload grade on the portal as per the stipulated time schedule.

Table 1: Table showing letter grade and its equivalent grade points

Letter Grade	Grade Point	Comment	Letter Grade	Grade Point	Comment
A*	10	Exceptional	A	10	Outstanding
A-	9	Excellent	B	8	Very Good
B-	7	Good	C	6	Average
C-	5	Below Average	D	4	Marginal
E	2	Poor	F	0	Fail
I	-	Incomplete	S	-	Satisfactory in Course
X	-	Thesis Continuation	U	-	Unsatisfactory
W	-	Withdrawn			

Letter grades I, S and U are described below:

(1) Incomplete I Grade

A student is awarded this grade in a course when the student fails to appear in the end-semester examination for a genuine reason. 'I' grade is converted by the Instructor to an appropriate letter grade by the last date specified for the same in the academic calendar. 'I' grade outstanding after this date is converted automatically into 'F' grade.

(2) Satisfactory S and Unsatisfactory U Grades

In Pass/Fail Courses, satisfactory performance is recorded as 'S' grade, and unsatisfactory as 'U' grade. Credits earned in these courses are not counted in the calculation of the CGPA. When the student earns a 'S' grade, she/he earns the credits; when the student earns 'U' grade, she/he does not earn the associated credits.

(3) Poor E Grade

'E' Grade will be awarded to a student who has scored marks less than the cutoff marks for 'D' Grade and has met the attendance criterion of the institute. Students who obtain an 'E' Grade will be eligible to appear in an additional examination. If they perform satisfactorily, they become eligible for getting the 'E' grade converted to a 'D' Grade, otherwise, they will continue to have 'E' Grade. The student will have only one chance to appear for the additional examination for an 'E' Grade. The additional examination will be conducted within the first week of the next semester.

3. Grade Point Averages

The Semester Grade Point Average (SGPA) is a weighted average of the grades earned by a student in all the courses credited by her/him and reflects her/his academic performance in the respective semester. If the grade points associated with the letter grades earned by a student in N courses registered during a semester are $G_1, G_2, \dots, G_N$, and the corresponding credits $C_1, C_2, \dots, C_N$, then the SGPA is given by the following formula:

$$SGPA = \frac{\sum_{i=1}^{N_{CS}} [C_i G_i]}{\sum_{i=0}^{N_{CS}} [C_i]}$$

The SGPA is calculated on the basis of grades obtained in all courses, except audit courses and courses in which S/X grade is awarded, registered in a particular semester

The Cumulative Grade Point Average (CGPA) indicates the overall academic performance of a student in all the courses registered up to the latest completed semester. The CGPA is computed similarly as the SGPA, considering all the courses in all semesters. The CGPA is calculated on the basis of all pass grades (A*, A, A-, B, B-, C, C-, D), except audit courses and courses in which S/X grade is awarded, obtained in all completed semesters.

$$CGPA = \frac{\sum_{s=1}^{N_S} \sum_{i=1}^{N_{CS}} [C_i G_i]}{\sum_{s=1}^{N_S} \sum_{i=0}^{N_{CS}} [C_i]}$$

4. The Academic Year 2020-21 was divided into following three Trimesters due to Covid-19 pandemic:

- a. Trimester-I, September-November 2020,
- b. Trimester-II, December 2020-February 2021, (Trimester I for B.Tech. 2020 Batch)
- c. Trimester-III, March-May 2021, (Trimester II for B.Tech. 2020 Batch)
- d. Summer 2021, (Trimester III for B.Tech. 2020 Batch)
